THERAMetrics holding AG (SIX: TMX) announces the launch of its new website

Stans, Switzerland, 07 November 2014 – THERAMetrics holding AG (SIX: TMX, "THERAMetrics" or the "Company") announces the launch of its new website www.therametrics.com.

The new THERAMetrics website has been renewed according to the new Company activities and structure organization.

Website contents have been updated to state clearly the mission, strategy and business offer of the Company, which positions itself as a full-service TCRDO (Technology-driven Contract Research & Development Organization) providing technological services and solutions throughout the entire drug discovery & development cycle.

Special attention has been paid to describe THERAMetrics scientific and technological edge, with its DRR2.0 drug discovery system, its Hypersuite e-clinical trial platform and its portfolio of projects.

We welcome you to visit the website on www.therametrics.com!
